Executive Update May 2022 - Savlan Hauser, Executive Director

Vote for Jack London Square and other nominated businesses in Annual "Best of the East Bay" awards by East Bay Express This month we focus on the hotel industry and hospitality in Jack London. Visitors activate the District, support local businesses, and hotels are a key part of the infrastructure of this diverse mixed-use District.

Workers are returning to offices, and new businesses are working on setting up shop in Jack London. We're working to support the needed information gathering, tenant improvements and permissions for new businesses filling long-vacant spaces in our District—and we look forward to introducing them to the community as soon as possible!

The Merchant Community continues to work together Combat Auto Break-

ins we continue our focused meetings for better coordination amongst District private security teams and OPD, and are seeking to implement Lit signage, lighting, expanded presence, and strategic patrols.

Other resources and highlights:

- For graffiti abatement or vandalism prevention resources, please get in touch.
- We have been working with the City, property owners, and merchants on **Flex Streets**, allowing merchants space in the public right-of-way. If your business needs help with outdoor seating or curbside use, contact us.
- <u>Bookmark 311</u> or call (510) 615-5566 to report dumping, blight, potholes, etc. Our team will continue to address what we can as quickly as possible—we also want to drive more deployment to our District for support.

Jack London

Recovering

April has been the month of recovery for the Jack London Improvement district. After being burglarized two times in the month of March, we are finally getting our tools and supplies back in stock. We now have weed eaters, a paint gun, smart devices that track our statistics and radios so that we can communicate through the district. We have enough supplies to put us on track to make some new changes in the district.

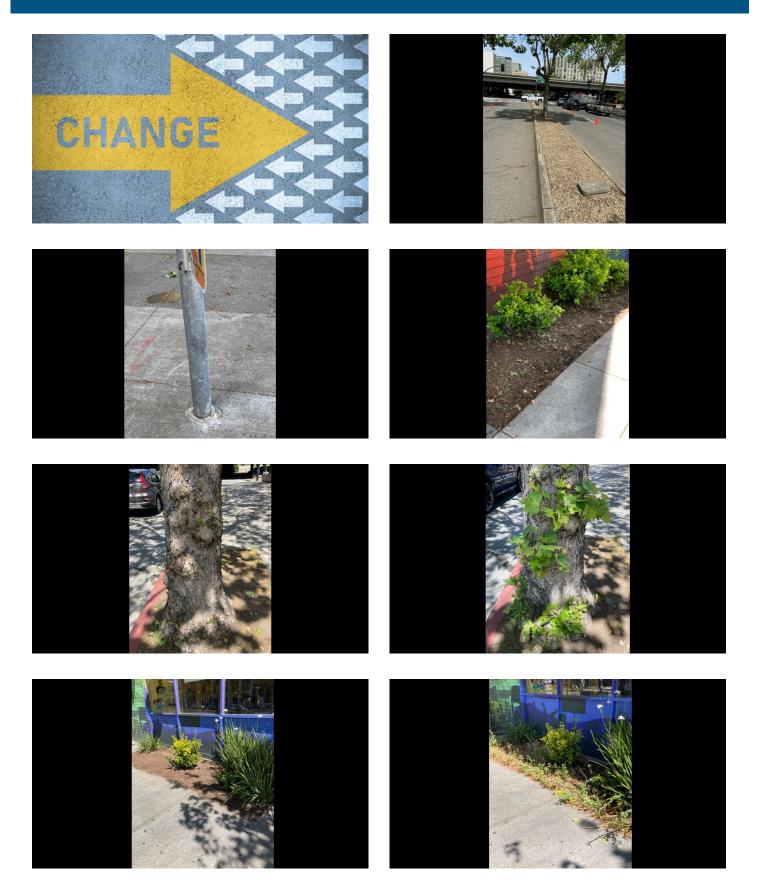

The Golden Road

Broadway the main street into our district and we want to make sure that this street is shining like gold. This month we have made changes to Broadway to make it look new and shine. We have been wiping down the parking meters, trashcans removing and graffiti. From de-weeding the medians, cleaning tree wells, and making some store fronts shine; this is all part of making Broadway shine like gold. We are excited about the many new changes that are coming in the month of May.

SUBJECT	DISCUSSION	ACTION?
1. Call to order and introductions	The Board of Directors meeting was called to order at 5:02 p.m.	
2. Public comment and announcements		
 3. a. Executive Update b. Cleaning and Safety Statistics c. Renewal Task Force Report d. Mayoral Candidates' Forum Hosted by BID leadership—Taj Tashombe 	 a. Executive Update ULI competition: Savlan - Last month our district was the site for the ULI competition; we hosted the finals for the competition and the winners are from University of Texas (task was to create a mixed-use affordable housing complex) Will be hosting the boards from the event in pubic, and will also host an event to show the boards to city staff Taj - I'd love to see an area on our website dedicated to the future; whether that's residential or commercial. Even including neighborhoods near us Kim - I think that's really important; people want to see what's new and it will give hope Taj - Mark, we can also work on this in a cross promotional way with Yosh's. Just digital for now, but perhaps also physical in the future Marc - physical displays are great; we could always use that and that's one of the first things I ran by Jen. Things like that are definitely what we need. Signage that can be changed somewhat regularly is good; we don't need evergreen ads. We have so many different genres and 30+ shows a month Savlan - I love the idea of having something referring to the future, because we are involved in a lot of projects already in this category JL Focus on Community Safety: Savlan: This month we had our second monthly merchant meeting with OPD. Auto burglary is the #1 concern. Gary - we have to step up our efforts at a higher level: OPD can't do much without reporting, even though they have more people on the street. Savlan -Nido's is spending 1,000s a week on private security; we hope for that not to be an expectation for businesses who come to our neighborhood Cleaning and Safety Statistics Tinea - we were burglarized at the beginning and end of the month and our devices were taken, so our numbers aren't 100% correct Regardless March was a great month, we were able to block out one of the double-yellow lines on 3rd street. We also painted planters to match our office. We're t	

	 Been reporting the abandoned cars too. Taj - let's get these statistics in front of Carroll Fife. This info is critical for the Mayor's Forum later this summer Melissa - just want to express my gratitude to staff Taj - l'd also love for the ambassadors to join us for one of these board meetings, once there is a team in place c. Renewal Task Force Report Savlan - RFQ release; meetings with top stakeholders, your assignments coming soon! d. Mayoral Candidates' Forum Hosted by BID leadership Taj - there is now a task force for this. We're looking at the week of 8/20 or 8/28 for the event, and thinking about indoors. e. Other ongoing work Sucharitha - update on brewing district, planters, website updates, alternative business models, and other items. Contact me if you want to get involved or know more! 	
4. Financial Review a. February 2022 Financial Reports		Taj moved to approve the reports. Melissa approved, seconded by Michael. Motion passed unanimously.
5. Approval of February 2022 minutes		Taj moved to approve the minutes. Melissa approved, seconded by Michael. Motion passed unanimously.
6. Our District as an Entertainment and Nightlife Destination – Discussion Item a. Oakland Metro Opera House and Underworld Opera- Mia and Tom Dean b. Yoshi's- Marc Zuazua, Marketing Director, Yoshi's c. Other ways BIDs can support	 a. Oakland Metro Opera House and Underworld Opera- Mia and Tom Dean We're starting to do shows again; will be doing another one in Old Oakland venue in June We haven't been able to produce as many shows as we like As more people move in we need more support from the community and less of a NIMBY attitude Our shows have been drawing significant numbers but it's expensive to put them up b. Yoshi's- Marc Zuazua, Marketing Director, Yoshi's Marc - we've definitely had some trials and tribulations throughout the pandemic, luckily we've had many diverse genres in our acts. The traditional blues and jazz fans weren't coming in, but our R&B and soul audiences were coming. Most of our marketing is digital through Facebook. That's where a display screen would really help to get our calendar out there; we are kind of hidden and it would be great to get people who are maybe just a block away and don't know we're here Melissa - getting your poster inside businesses is also great; then there's no vandalism issues C. Heiroglyphics - We had done events in the area before and that's how I met Dan at 	

	 Seawolf and he was a supporter of Hiero Day. We've done the event in other neighborhoods but it would be nice to come back to JL; we have to cross promote and communicate about what we're doing We had some of the same challenges as the Opera House; in addition all the construction going on in the neighborhood c. Other ways BIDs can support Melissa - wouldn't it be fun to have a district wide block party? Do we know where the city is at with outdoor permits? Taj - I think it depends; if you need police it'll be hard to schedule, you need \$\$ Jen - all permitting is open Savlan - they do get challenging with bus routes, fire department getting involved, etc. We did the St Patrick's Day party at Slainte this year; it does go more smoothly with us as sponsors Taj - I'd love for us to think of our signature event as a district Gary - in the district over the years National Night Out has served as that kind of event. I think the idea is great but we might need to build into it over a couple years Also - ferry terminal and train station are where folks come into the district, that could be a place where we promote events Taj - I think this is a great subject that needs an ongoing dialogue, would be great to create a cadence of communication so we can figure out how we can support each other 	
7. Adjourn	The meeting was adjourned at 6:00 PM. Next Board meeting will be held next Board Meeting May 9th, 5pm virtually via Zoom.	Taj moved to approve the minutes. Chris approved and Michael seconded the motion. The motion passed unanimously.
